“ Dear Frank and family, We were truly saddened when we heard and read of Virginia's passing. We remember fondly when we met both of you at the book study and service meeting combination in Fowler about 1965. We want you to know how very sorry we are but we know, as you do, that we'll see her again. Please know that we share your sadness and your hope. Again, please accept our sympathy. With much Christian love, Your brother and sister, Joe and Ruth Montoya

“ Dear Brother Frank,  
We were very sorry to read in the paper today that Virginia passed away Thursday. Virginia always had a smile and friendly greeting for us. Even though we aren't in the same congregation and able to be around your family a lot, we could tell that she was a kind and dear sister.  
We too are looking forward you the time mentioned in her obituary when we experience "the resurrection that has been promised in Jehovah's kingdom." Then we will give her a big hug and plan joyful times together.  
We want you to know we are thinking of you and your family with warm Christian affection. We pray that you will receive comfort from our God of Comfort and his people, and from the promise of Jesus, "I will resurrect them on the last day." (John 6:44)

“ I want you to know my thoughts and prayers are with you Frank and your family. I have so many happy memories of when Virginia and were married about the same time and had our babies about the same time, many shopping trips with kids tagging behind. You will miss her but how happy to know you will see her again in the paradise.

*My Thoughts and Love to you
