“ *Vivian, Vincent, Robert, Linda and Michael and all the family: I am with you in my heart,. I know how difficult this time is and my heart wishes I could take away some of your pain. Your Mom, Grandma, Great Grandma warmed so many hearts in her time here on earth. When you meet her again you won't have to ever think about time because you will be with her and all your loved ones for eternity. I know that thought doesn't stop your hearts from hurting; sending love and soft hugs to each of you. Love Aunt Judie*
