“ We send our sympathy for the loss of Bill to Shirley and all of their family. He was a friend to a multitude of students in the Huerfano RE-1 School System and a well-respected member of the Walsenburg community for many years. We feel privileged to have known Bill. Even while he was ill in recent months he made every effort to attend Pueblo West basketball games. He will be missed but will suffer no more, as he makes his home in the Kingdom of God.
