“ I want to have the right words to say so bad but there are none. My heart broken Bill. Broken to know you're no longer on this earth. My gosh we have so many memories together. So many laughs sooooo many! We would laugh and clown each other so bad and you'd be mad because I'd beat you with the best come back! Awe Bill. My sweet Bill we sure did share a lot of love. I will cherish you forever and ever. I'm thankful you know Jesus. It gives me peace to know he took you home and there is no more pain or suffering. Bill you are cherished now and always. I'm going to miss you. I'm going to miss you so so much. Go rest high on that mountain Bill. Your work on earth is done. I love you with all my heart.

“ We’ve shared in so many over the past 25 plus years of friendship and Bill I will miss you until we reunite. You’re passing hurt my heart in a way that I’ve never felt! I love you homie! I’m thankful for the years of friendship and brotherhood we shared. I’m honored to be your brother, friend, and to have shared in life with you! I believe you are in our Lord and Savior Jesus Christs arms now and I will celebrate your life and I will never forget our history! You are my brother from another mother! I’m choosing to share this memory because it is the most special memory to me!!! I remember when I was released from my incarceration in 2007 and we talked about Christ’s sacrifice over the phone and I had the privilege and honor to share the gospel message of Jesus’s sacrifice with you. I’ll never forget your exact words after you heard how Jesus died for us!!! You started to cry!! Then God allowed me to introduce you to Jesus in prayer and you asked Him to be your Lord and Savior! That is my most precious memory with you!!!! I love you FOREVER MY BROTHER! ❤️❤️❤️❤️❤️❤️❤️❤️
