“ I am one of Xav's Uncle's, Adam. When Xavier was just a lil' guy, he had the most adorable lil' squeaky voice. I can still hear it now. He was the cutest little guy. When his brothe Joaquin was born, Xavier used to call him "Keno". His lil voice resonates with me to this day. As time went on we all grew up more. Xavier his voice changed, but my sweet nephew was still my precious nephew. I don't have kids of my own. So, my nephews are my entire world. Holidays, famiky events, etc. It was like we just saw each other yesterday. When visiting I would cut his, and his bros hair. Something so very special to me was, he never judged me for being a gay man. None of my nephews have. Xavier would always tell me he loved me tooand when he got to know my other half Drew, he grew to call him Uncle Drew. That made me so proud of him, Lorenzo, amd Joaquin too. I could go on and on. I am that doting Guncle. This loss of Xavier tragically has my heart in to a million pieces amd Ina state that my brain can't even explain. My hito Xavier, I hope you know how much I love you, and how much you are loved by everyone. I hope amd pray that you are resting in peace. I will love you, and will miss you forever and even after my sweet Neff!!! God Bless You

“ Man, riding the back of the car on my skateboard while you were driving was fun. All the late night conversations we had staying in Jeff's basement. The funny things you would say... I always had a big stupid smile while listening to your antics. I wish I could trade you places. You deserve more than this world had to offer though. If you shine a little light from the heavens for us though, I'll give this world a little more hell from you. Fly high, and I know you'll be forever. So I'll see you someday. This is not goodbye. But a fare the well. Friend.
