“ Gloria, I'm going to miss you so much. We only worked together for a few years but I still remember those times. You were my work mom. I remember laughing with you, listening to each others stories. Picking you up and dropping you off. Your personality was huge but your heart was way bigger. I will mourn you here, but I know you're dancing amongst the Lord and all the angels, and your dear husband. No more pains and seeing perfectly with all the colors one can imagine. Love you Gloria from me and the Carbajal family. I'll cherish all the memories I have. My condolences to your family and loved ones. I pray for God's peace and comfort to be over you all.

“ I was so blown away when I heard of Gloria's passing. To my cousins and Auntie Lucille, I am so sorry for your loss. I used to spend a lot of my summers In Pueblo with Auntie, Uncle, Sylvia, Gloria and Jeanne and we had the best time. We would put on our own talent show, walk to the store when penny candy was actually a penny! Those childhood memories will be forever in my heart. Gloria was so funny and I just loved the way she laughed. She and John came to my house a couple times, and again, guaranteed to have a fun time. She is at peace and I feel that John, Uncle Gilbert, my mom and dad, Paul & Sally were there to greet her. Rest in peace, cousin, I love you (Sandy Lou)

“ *Gloria's children, Leticia and Leon, were my parents constant caregivers in their last years. I always enjoyed stopping over to their home and visiting her and her pups, being ever thankful to her for raising such loving and conscientious children who cared so much for others. Thank you, Gloria. I wish that we had more time to get to know each other. God bless you and rest in peace. You were a wonderful mother who instilled the best of humanity to your children. My prayers are with all of your family. Karen Smith*
