

Yvonne Marie Martinez

January 25, 2025 - February 18, 2025

Yvonne Marie Martinez, 65, went to be with the Lord on February 18, 2025. Yvonne was born on January 25, 1960, in Pueblo, Colorado. She was reunited in Heaven with her loving husband, Juan “Frank” Martinez; father, Joe Mestas Sr.; and numerous extended family. Yvonne is survived by her children, Frank (Savannah) Martinez Jr. and Amber (Troy Miller) Archuleta; grandchildren, Rahyna (Aaron Duran) Dannel, Xathaniel Archuleta, Tristan Martinez and Ilithyia Archuleta; mother, Dorothy Mestas; siblings, Brenda (TJ Esquibel) Ivey and Joe (Yvonne) Mestas Jr.; special great nephew, Landon Cornwell; and numerous nieces, nephews, cousins, extended family and friends. The family wishes to thank the compassionate staff at Sangre de Cristo Hospice House, who provided her with a peaceful transition to the kingdom of Heaven. Yvonne enjoyed crafting, crocheting, diamond art, singing and online shopping. She loved gardening and took great joy in growing and nurturing her flowers, especially her beloved roses. She also enjoyed taking trips to the farms with her “Honey.” She hosted every holiday gathering where she welcomed all into her home and treated everyone like family. She loved cooking and baking for these events and was known for her sopapilla burgers, red and green chile, Kiffles and famous tamales. Above all she was a caregiver, who would always put the needs of others before her own. She dedicated her life to caring for everyone she loved, and she loved everyone. Though she will be deeply missed by those she leaves behind, she is now at peace being cared for by Angels in the arms of Jesus. Family request to p

“ *My deepest condolences on the passing of Yvonne. Her kindness and thoughtfulness were evident in so many ways, especially in how she frequently checked on my father, even when she herself might have needed words of encouragement. I will forever cherish the wonderful conversations we shared; they were always filled with warmth and wisdom. Yvonne's strength and compassion left a lasting impact on those who knew her.*

Please know that my thoughts and prayers are with your family during this difficult time. May you find comfort in the memories and the legacy of love that Yvonne has left behind. She will be deeply missed by all who had the privilege of knowing her.

“ *Yvonne always made us feel like family. Could never leave her home with some sort of gift. She will be sadly missed by me, Sasha, and Brittany. We are grateful for the many years we had the pleasure of knowing her. We loved to sit around and talk about our favorite food with her and Frank.*

“ Yvonne was such a blessing to our family. She was always smiling and just made you feel like you were family. Fiesta days parade will have a sadness to it this year and she will leave a void in our lives. Richard, particularly felt so special when she brought him her delicious homemade jams. Your presence will be truly missed. May God bless ,uplift and comfort your family and may your spirit be filled with eternal love from Our Lord in Heaven.

“ I have 60+ years of memories of Yvonne. I remember spending time one summer when we were probably 14 and riding the bus downtown to go shopping, it was a grand adventure. Being little and waiting for Grandpa John to come home so we could see what treat he left us. Sitting under Grandma's table at Thanksgiving and sneaking black olives. As we were older being invited to her and Franks on Christmas Eve for tamales. I will miss our conversations dear cousin. I know you are at peace with all our family in heaven, kiss my sister for me and hug my dad, I'm sure he's sitting talking with Grandpa and Grandma and his sisters.

“ My Yvonne has been part of my life since I can remember. I remember her singing since she was young. And then she became our babysitter. That was a so fun. So many memories. I am so lucky to have had her in my life. She was such a strong amazing woman and I looked up to her. She was so talented. I just loved her so much. There will always be a void in my heart. I send my condolences to all the family, my Amber and Frankie and my Aunt Dorothy and all the rest of my family. I love you all so much.
