“ *Zach was a damn good cousin he knew what family was. He was a damn good rap artist and poet. He could always put a smile on a persons face or scare the living crap out of them, just depends on what side you got on. He accomplished many goals that many didn't know about and I am proud to be able to call myself his cousin. I will miss you dearly Zach please watch over Zaydin in this time of not knowing his whereabouts and help guide him home to me.*
